Radio Interview: Challenges of Hong Kong Port

Dr Collin Wong and Dr Eugene Wong attended a radio interview with Mr Vincent Wong and Mr Kengo Ip at Commercial Radio Hong Kong (“人民大道中”, 24 November 2016, 19:00 – 20:00). Topic was Challenges of Hong Kong Port.

Together with another guest, Ms Jessie Chung, Chairperson of the Hong Kong Container Terminal Operators Association Limited, they had a fruitful discussion on the challenges facing the local maritime logistics industry and recommendations on how to turn challenges into opportunities for further development.
