

Chartered Institute of Procurement & Supply (CIPS) CIPS Best Student Awards 2016

28 October 2016

Congratulations! Mr Wong Kin Cheung Kelvin, a Year-4 student of the BBA (Honours) in Supply Chain Management, received a Certificate of Merit at the CIPS Best Student Awards presentation ceremony on 28 October 2016 during the Chartered Institute of Procurement & Supply (CIPS) HK Conference. This is the fourteenth year that CIPS implements the “Best Student Award Scheme” in Hong Kong. The awards are given to full-time post-secondary students who are studying sub-degree or degree courses which have purchasing and supply chain management as major core competence.

As the previous year, the Department of Supply Chain and Information Management nominated three SCM Year-4 students to the award-selection panel. Nominees were required to submit their resumes and to write an essay about “How Procurement can add value to an organisation, in what ways”. They were also required to attend a panel interview through which the assessment panel members discussed with them on various aspects of the procurement and supply chain profession. Besides Kelvin, the other two nominees, Miss Tsang Wai Sheung Alice and Miss Wong Wing Kiu Phoebe, received Certificate of Appreciation in recognition of their participation in the event.

Let’s join hands to wish them a loud CONGRATULATION!
