### School of Decision Sciences Achievement Awards Presentation Ceremony 2015/16

The School of Decision Sciences held its Achievement Awards Presentation Ceremony in Fung Yiu King Hall on 9 Mar 2017 to honour the best teachers and students of the School. A total of 19 teachers received the School's Teaching Excellence Award, and 78 students were named to the Dean's List and Best Progress Award. Moreover, the School also commended students who won in prestigious external competitions for their accomplishments and brought honour to the College.

Professor Lawrence Leung, Dean of the School of Decision Sciences, recognised that good teaching was the results of hard work, dedication and passion, and he thanked teachers for their unflinching commitment. He also encouraged students to continue to take up challenges and to go beyond expectation.

At the Ceremony, over 100 teachers, students and alumni, including their families and friends, celebrated the awardees' achievements and shared their joy.
